

### **REMARKS**

This paper is responsive to the Office Action mailed October 16, 2007 and supplements the paper filed on January 16, 2008. The Examiner objected to claim 29 during a telephone discussion on February 12, 2008. Applicant is amending claim 29 in accordance with the objections.

The following summarizes the status of the claims. Claims 18-35 are currently pending. Claims 18-20, 22-24, 26-28, 31-35 stand rejected. Claims 21, 25, 29 and 30 are objected to. Claims 18-20, 22-24, 26-28, and 31-35 have been cancelled. Claims 21, 25, and 29 have been rewritten in independent form. No new matter has been added.

In this paper, only claims 29 and 30 have been further amended with respect to the paper filed on January 16, 2008.

#### **Claim Objection**

*The Examiner alleges that claim 29, as amended in the paper file on January 16, 2008, does not include all of the features of claim 26.*

Claim 29 is amended herein to include the features of claim 26. Also, claim 30 is amended herein because a proper antecedent basis is established by claim 29. Applicant requests that the objections to claim 29 be withdrawn.

Applicants respectfully submit that the pending claims are in condition for allowance. Favorable reconsideration of this application is respectfully requested. The Examiner is invited to contact the undersigned should it be deemed necessary to facilitate prosecution of the application.

Respectfully submitted,

Date: February 18, 2008
